Pastry and Basting Brushes feature a molded hook to secure the brush to most containers.

Pastry & Basting Brushes

We have taken our high quality ABS handles and added a molded hook. This feature allows brushes to be secured to most containers, keeping them free of contaminants. If used properly, the hook totally eliminates the chance of the bristles becoming burned or distorted by being left on the grill. This also provides greater efficiency because the brush is always available when needed.

FLEXIBLE FLOOR DRAIN BRUSH WITH SPLASH GUARD

The perfect brush for cleaning built-up waste and residue in floor drains. The flexible wire design and aggressive bristles tackle the toughest jobs and allows the user to clean the hard to reach areas of the drains.

Assists in the elimination of build up that may cause odors and fruit flies from breeding within the drains.

FEATURES

- 36" flexible floor drain brush with flexible wire that allows brush to easily access hard-to-reach floor drains
- Twisted wire handle easily maneuvers deeper into drain allowing it to make the turns in the pipes
- Poly ball guides smoothly through elbow turns
- Crimped polypropylene bristles allow drain chemical to adhere for maximum cleaning power
- Splash guard covers drain hole to ensure contaminants do not escape the drain while the brush agitates

VERSA SCRUB GREEN®

THE REVOLUTION IN FLOOR BRUSHES

PROFESSIONAL TILE SCRUBBING BRUSH THAT WILL REMOVE STUBBORN DIRT WITHOUT SCRATCHING YOUR FLOOR

Scrub clean high traffic areas on your tile and grout with the Versa Scrub Green®! The three-in-one feature of the Versa Scrub accepts a standard threaded handle that allows for scrubbing, scouring and other types of cleaning through the use of different cleaning tools. The brush attachment is designed with an easy snap-in, snap-out feature and molded-in “hooks” which allow the block to “grab” a standard scrub pad and/or microfiber pad attachments.

KEY BENEFITS

VERSA SCRUB GREEN®

- 3 Tools in One - Holder houses the scrub brush, and is equipped with “teeth” to hold a scrub pad and/or a small microfiber mopping pad
- Environmentally-friendly with fusion-welded, chemical-resistant polypropylene bristles and contains no metal parts - recycle when worn!
- Bristles are chemical resistant polypropylene
- Can be cleaned and sanitized for reuse

ANGLED SCRUBBING

Featuring a 180° swivel head for easier accessibility to difficult cleaning areas such as curvatures in shower stalls, behind toilets, equipment and machines.

UNIQUE DESIGN

The brush attachment has a snap-in, snap-out feature for easy attachment exchange.

VERSATILE

Includes two components: a green plastic block (part # 3210) and an attachable scrub brush (part # 3220) - sold separately.
