

En-Case™

3-in-1 Carpet Encapsulation Detergent

FEATURES

- One product does the job of three traditional carpet cleaners to save time, money and space
- Encapsulation chemistry eliminates rapid resoiling caused by traditional carpet detergents
- Unique polymer/surfactant system is easier and safer to use. Ideal for health care facilities, schools and offices
- Designed for heavy soil removal of grease, dirt, shampoo build-up and salt residue
- Safe for advanced fifth generation stain-resistant carpets
- Enhances soil pick-up during vacuuming
