- One Effective Cleaner for Both Cat and Dog Stains and Odors. (eliminates the need for multiple products)
- Veterinarian Approved
- Penetrates Deep Into the Surface
- Eliminates Recurring Stains and Odors
- Pleasant Smelling and Easy To Use.

Who Done It?

Pet Stain & Odor Eliminator

Meets the
The Global Harmonization
System of Classification
and Labeling

Who Done It is the perfect solution for use on surfaces such as:

- | | | |
|--------------|-----------------------|--------------------------|
| Carpet | Upholstered furniture | Auto carpet & upholstery |
| Pet bedding | Pet blankets | Linens |
| Litter boxes | Fabric pet carriers | Or as a room deodorizer! |

DIRECTIONS FOR USE:

STAIN REMOVAL

1. Remove as much of the spill as possible from the stained area.
2. Fully saturate area with solution to thoroughly penetrate surface.
3. Agitate from the outside of the stain in to keep the spot from spreading. Allow to work for 3 to 5 minutes.
4. Blot with clean white damp towels to absorb stain.
5. Repeat if necessary.

PRETREAT & EXTRACTION SOLUTION

1. Mix 2-ounces per gallon of water and pretreat the carpet.
2. Allow solutions to dwell for 3 to 5 minutes.
3. Follow manufacturer's instructions for extraction and rinsing the surface.

GENERAL DEODORIZING

Spray **Who Done It** directly onto the source of the odor and allow to air dry. Repeat if necessary.

Who Done It is also available in convenient 1-gallon bottles and 5-gallon pails for large cleaning projects.

DID YOU KNOW!

- Cat urine odor is five (5) times stronger and tougher to eliminate than dog urine.
- Most chemical manufacturers formulate multiple odor and stain removal products for multiple cleaning tasks.
- Who Done It** is a single solution, multi-task, multi-enzyme spotter, deodorizer and protector for carpet, tile and upholstered surfaces.
- Who Done It** is formulated to remove the toughest stains and odors created by:
 - Cats
 - Dogs
 - Birds
 - Small Animals
 - Food & Beverage Spills
 - Cigarette & Cigar Smoke
