

# SW26 & RSW28

26" / 650mm and 28" / 700mm Vacuum Sweepers

**PREMIUM SPECIFICATIONS. PRODUCTIVITY ADVANCEMENTS. AFFORDABLE PRICE.**

The SW26 and RSW28 vacuum sweepers feature specifications and innovations that are best in class with end user needs in mind. These unique vacuum sweepers have unmatched machine engineered features, high valued productivity, with simplicity in mind.

**A** Quiet Operation (Low dB Ratings)

**B** One touch control panel for simple operations

**C** Unmatched performance on carpeted services with variable brush settings

**D** Maneuverability (turn on a dime)

**E** Easy Storage (Compact size & folding handles)

## APPLICATIONS:

The SW26 and RSW28 vacuum sweepers will allow the operators to use these machines in noise sensitive areas. These highly productive machines are Purpose Built® for:

- Carpeted or hard surface hallways
- Carpeted ball rooms and auditoriums
- Carpeted or hard surface cafeterias
- Schools & universities
- Hospitals, long term care facilities
- Building service contractors
- Hospitality & Lodging Industry

### GENUINE SERVICE PARTS

**PURPOSE BUILT™ TO PROVIDE MAX PERFORMANCE**

Why buy a copy when you can get the original parts—the ones actually used in the machine's original design work the best. Not only do you get maximum performance, but you also reduce hassle and downtime. Be sure to contact Pacific Floorcare or a local authorized distributor when you need authentic service parts.
