## **Deep Clean & Conquer the Hard-to-Reach Areas with the JET3**

With its built in, on-demand targeted Spray-Scrub technology, JET3 eliminates the need for a mop and bucket, allowing the user to deep clean floors, wall and stairs with ease. And with its' compact size and portability, you can clean even the hardest to reach places like:

- Underneath tables
- Toilet cubicles
- Staircase risers
- Corridor edges

The Jet3 is ideal for use in schools, hospitals, restaurants, and recreation facilities. Completely waterproof, they are perfect for cleaning showers, pool tiles and surrounding surfaces.

The lightweight tool and backpack are convenient, portable and the battery lasts up to four hours!

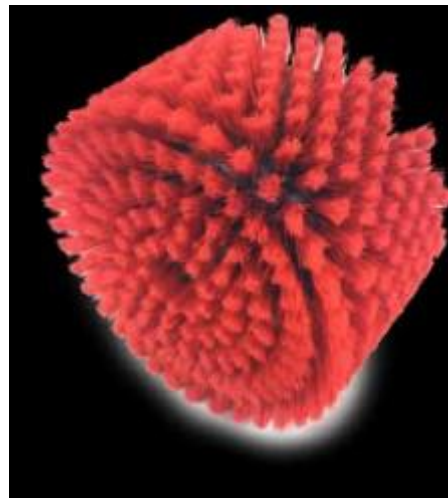

The **M3** and **Jet3** offer scrubbing power WITH or WITHOUT water/ chemical spray function. Kits come with the motor head scrubber, handle, battery backpack, charger, medium duty brush and pads. Full demo kits with rolling case are available. Additional brushes and pads can tackle any job!

## WHAT'S IN THE BOX

Clean stairs and risers with ease using the bestselling Stair Brush that scrubs both on the bottom and sides!

Stair Brush tackles the toughest dirt on textured stairs. Also available in a Grit brush.

**Coming Soon! SHOCK**

## **CLEAN HIGH, CLEAN LOW, CLEAN EVERYWHERE**

Utilizing the latest oscillation technology, Shock agitates deeply ingrained dirt and grime to remove it from both small and medium surface areas. Developed over three years in our invention laboratory, the Shock has a wide cleaning head and newly designed M20 digital motor providing 5,000 rpm scrubbing force.

REVOLUTIONARY  
**STAIR CLEANING**

**STAIR CLEANING  
REINVENTED**

MotorScrubber has pioneered stair cleaning for over a decade.

Shock's lightweight and ergonomic construction make stair cleaning safe and easier than ever!

FAST AND EASY  
**BASE-BOARD CLEANING**

**FAST AND EASY**

**BASE-BOARD CLEANING**

No extra equipment is required for Shock to be the ultimate baseboard cleaning solution. Simply flip the head to use the patented glide wheels for smooth and powerful vertical cleaning.

***Utilizing our patented wall protection glide wheels with impact defense technology, Shock has been optimized to deep clean along the edges of floors, walls and baseboards. It also easily fits into the corners, cleaning anywhere with extreme precision. The unique Y-shaped yoke applies down force equally across the machine, giving exceptional control. The magnetic pad driver, seismic weight kit and targeted on-demand spray make the Shock extremely user-friendly!***
