### Portable Two Brush Floor Machine

A small portable scrubbing machine that is perfect for cleaning Brick, Carpet, Ceramic, Concrete, Cork, Hard Wood, Laminate, Linoleum, Marble, Polished Tile, Rubber, Slate, Terrazzo, Vinyl. It can also scrub hard floors in small tight areas, and it buffs and cleans hardwood floors. The cost efficient way to clean large carpeted areas is to first remove the spots and stains with the BGFS5000 portable scrubber, and then go over the entire area with a box style carpet extractor, without having to worry about cleaning the heavily stained spots. The portable scrubber comes with a set of white carpet brushes to start with, and other accessories are sold separately. Comes with a 1 year warranty on parts and labor.

- Comes with a set of scrub brushes (45-0233-2), green scrubbing pads (45-0104-5), tan polishing pads (45-0105-2) and felt buffing pads (45-0103-7).
- So lightweight and compact that it can be left on site for small "touch ups" on carpets and hard floors.
- Uses the same scaled-down brushes and pads as large floor machines.
- Durable all metal housing, motor base, yoke, and handle.
- Cleans grout quickly and easily.
