

Polaris Series

The Polaris Series combines remarkable ease of operation with unbeatable carpet cleaning performance and portability to deliver consistent results at light speed!

The Polaris is big enough to tackle large rooms and hallways. It is available with a full complement of accessories giving it maximum versatility to clean upholstery, stairs, and other hard-to-reach places.

User-friendly features like a detachable power cord make transporting the machine to a drain or toilet easy. Lifting off recovery buckets makes emptying quick and easy without a drain hose. Special features, including the patented 4-wheel design, adjustable handle, and lightweight construction, allow easy transportation and outstanding balance and maneuverability.

Features & Benefits

- The patented 4-wheel design makes turning in tight places easy and balances total weight even when full of water; making it easy to maneuver
- The detachable cord makes it easy to drop the cord and wheel the machine to a drain or toilet for emptying. Our patented dual lift-off buckets make this process quick and convenient
- Patented self-adjusting, self-leveling brush for superior cleaning of all carpet lengths and uneven floors
- High-speed brush motor and brush guarantee powerful agitation to release deeply embedded soil and grit, extending the carpet life
- The patented brush system utilizes fully sealed stainless steel ball bearings for years of trouble-free operation
- Fully adjustable handle for greater operator ease, increased leverage on stairs and over curbs, plus compact storage
- Dual vacuum motors for unequalled water & soil recovery in a self-contained extractor (801 & 1201)
- 19" wide cleaning head maximizes productivity (801 & 1201)
- Side extension for cleaning right to baseboards
- Upright-mounted vacuum with intercooler system extends motor life
- See-through recovery dome
- Optional accessories quickly attach to the rear of the machine for cleaning stairs, upholstery, etc.

Smart 2-screw access to the equipment bay for easy service & maintenance
